

## REWORK — Short Film Script

### Scene 1 — Entering the Room

A boy enters his room with his laptop. He sits at the table, opens the laptop, and starts working on a video.

He edits carefully, checks the timeline, and continues working.

### Scene 2 — Incomplete Work

After some time, he becomes tired. He looks at the unfinished video on the screen.

He saves the project and gets up for a short break.

Suddenly, his phone rings.

He looks at the phone and answers the call.

### Scene 3 — The Phone Call

The conversation is about the video he is working on.

He realizes that some changes are needed before the video can be submitted.

He ends the call and looks at the unfinished project.

A moment of silence.

He sits back down.

### Scene 4 — REWORK

He opens the editing project again.

He starts making the changes.

Cut.

Trim.

Add.

Preview.

He watches the video again and notices another mistake.

He fixes it.

He watches it one final time.

The video is complete.

### Scene 5 — Submission

He exports the final video.

The progress reaches 100%.

He attaches the video and sends it to the required person/team.

He leans back in his chair.

A small smile.

CUT TO BLACK.
